REGION

GRAPE

Famille Kreydenweiss

Domaine Marc Kreydenweiss is located in Andlau, in Alsace, between Strasbourg and Colmar, in the area called Piemont des Vosges. Nestled at the bottom of the mountains, the vineyard benefits from a continental climate and the soils are based on a mosaic of terroirs which are completely different fro... [Read More](#)

Alsace

The Alsace lies on the eastern French border with Germany - it is historically much-disputed and was for many years part of western Germany, known as Elsass. It is to a certain extent cut off from both countries - from Germany by the River Rhine and from France by the Vosges mountains, a geographica... [Read More](#)

Riesling

Riesling is a high quality white grape variety whose traditional home is the wine-making regions of Germany such as the Pfalz or the Mosel. It has a propensity for cooler climates, producing very fine wines of an aromatic nature with high acidity and often the capability to age well. It is a versati... [Read More](#)

TASTING NOTES

A complex wine, patience and time are required to appreciate it at its true value. On the nose aromas of spices and ripe yellow berries. Quite discreet in its young years, this wine is straight and tight in the mouth, its power offers a very pleasant tannic structure. The richness of this particular terroir brings a beautiful minerality to this wine.
