GRAPE

Godello

Godello is a white grape variety that is commonly planted in Northwest Spain and Northern Portugal. It produces fine, rich wines, with a distinct mineral-scented quality. Perhaps following the success of Albarino in Galicia, Godello is experiencing a renaissance and is becoming steadily more popular... [Read More](#)

TASTING NOTES

This 100% Godello from slate soils has deeper and earthier character than most other expressions. The nose remains varietal with floral nuances and white stone fruits, while in the mouth it is voluminous yet elegant at the same time due to 5 months of lees ageing (30% in 500l French oak). It has a medium mineral finish uplifted by the freshness of ripe citrus flavours.
