### TASTING NOTES

The altitude (424m) and the orientation (South) explain the origins of the name Zinnkoepfle : in Alsace's language « koepfle » means the head and « zinn » in the sun. It is the highest Grand Cru in Alsace. The soil is sand and mainly limestone, chalk with seashells. J-M Haag Gewurztraminer Grand Cru Zinnkoepfle 2020. Very rich, opulent and seductive, with a powerful silky texture with notes of essential oils. Very long, off dry finish, with heady ginger and rose petal notes. A memorable glass of wine, fat, soft and full-bodied. Impeccable balance between the three elements of alcoholic power, sweetness and acidity.
